NUMBER 23

A forthright declaration is the 1944 Democratic Platform. That our readers may know how the party stands, this platform is published in a series of three installments. Then will follow the Republican 1944 Platform for comparative proposals for the next succeeding four years in the nation:

## The 1944 Democratic Platform

The Democratic Party stands on its record in peace and in war.

To speed victory, establish and maintain peace, guarantee full employment and provide prosperity—this is its platform.

We do not here detail scores of plans. We cite action.

Beginning March, 1933, the Democratic Administration took a series of actions which saved our system of free enterprises.

It brought that system out of collapse and thereafter eliminated abuses which had imperiled it.

It used the powers of government to provide employment in industry and to save agriculture.

It wrote a new Magna Carta for labor.

It provided social security, including old age pensions, unemployment insurance, security for crippled and dependent children and the blind. It established employment offices. It provided federal bank deposit insurance, flood prevention, soil conservation and prevented abuses in the security markets. It saved farms and homes from foreclosure and secured profitable prices for farm products.

It adopted an effective program of reclamation, hydro-electric power and mineral development.

It found the road to prosperity through production and employment.

We pledge the continuance and improvement of those programs.

Before war came, the Democratic Administration awakened the nation, in time, to the dangers that threatened its very existence.

It succeeded in building, in time, the best-trained and equipped Army in the world, the most powerful Navy in the world, the greatest Air Force in the world, and the largest Merchant Marine in the world.

It gained for our country, and it saved for our country, powerful allies.

When war came, it succeeded in working out with those allies an effective grand strategy against the enemy.

It set that strategy in motion, and the tide of battle was turned.

It held the line against wartime inflation.

It ensured a fair share-and-share alike distribution of food and other essentials.

It is leading our country to certain victory.

The primary and imperative duty of the United States is to wage the war with every resource available to final triumph over our enemies, and we pledge that we will continue to fight side by side with the United Nations until this supreme objective shall have been attained and thereafter to secure a just and lasting peace.

The directors voted to include a subscription of \$150 to the Salvation Army in the Community Chest budget for 1944 only. This subscription was made in recognition of the great work done by the Salvation Army and to make unnecessary an independent canvas for funds for the Salvation Army in the city of Cameron. The subscription will replace any Salvation Army subscription in the city. Elsewhere in the county the Salvation Army will make its usual canvas.

The Community Chest drive will be concluded in October along with the War Chest Drive in the county.

Such organization must be endowed with power to employ armed forces when necessary to prevent aggression and preserve peace.

We favor the maintenance of an international court of justice of which the United States shall be a member

## MEMORIAL IS PROPOSED FOR 5 LOCAL WAR DEAD

A memorial to five Cameron boys who gave their lives in the current war has been proposed here by the mother of one of the men and the shipping service has responded with agreement to erect this memorial.

Mrs. J. A. Pond of Jones Prairie has received a letter from the Sabine Transportation Company, written by its president, M. T. Ball, in answer to a letter she had written suggesting the memorial.

Five Cameron boys lost their lives in the service of the Transportation company. They were: Jack Pond, Jr., John Isbell, Max Schwinger, Woodrow Ernis and Elmer Schwinger.

Cameron's failure to provide a municipal building and a civic center may now be greatly emphasized for the problem arises over where suitably to place the memorial.

Here is the letter received by Mrs. Pond and which has also been shown the Chamber of Commerce and Planning Board Chairman:

"Thank you for your letter of Sept. 2, and for your very timely suggestion that our company make a suitable memorial to the five very fine boys from Cameron who gave their lives in the service of their Country while in our employ.

"The suggestion of drinking fountain seems to be a good idea, but I wonder if it would be more appropriate to place the fountain in either a park or the public square so that all the people who might use it would be reminded of the sacrifice which these men made.

"I would like your thoughts on the subject and assure you that as soon as it is possible to obtain a memorial that would be suitable we will give consideration to the question and advise you. Kindest regards and appreciation of the motive which prompted you to write me on the subject."

## MRS. FRITZ MILLER BURIED WEDNESDAY

Funeral services for Mrs. Fritz Miller, 65, were held at 3 p. m. Wednesday at the Green Funeral Home in Cameron with interment in the cemetery at Chriesman.

Mrs. Miller died at the home of her son, Alfred Miller in Somerville at 7:30 p. m. Monday, September 18, 1944. She had been ill for only a short time. She had made her home in Cameron for many years.

Rev. Broddus, pastor First Baptist church in Caldwell, conducted the services.

Surviving are her husband Fritz Miller of Cameron and three sons, Alfred Miller of Somerville; Pete Miller of Cameron and Pfc. August Miller somewhere in France. Also surviving are 5 brothers and 5 sisters.

Pall bearers were: Frank Durnie, Albert Durnie, E. S. Shirley, Dave Whitely, Bill Stocklas and Emil Able.

## COLLINS AGAIN HEADS COMMUNITY CHEST

Albert Collins has been re-elected chairman of the Cameron Community Chest. Directors in a meeting here Tuesday night named officers for the year by re-electing Mr. Collins, Mrs. W. O. Triggs, treasurer and Homer McLane, secretary.

The Cameron Community Chest quota has been fixed at \$5500 the same figure as in 1943 but includes an increase in the War Chest quota and a corresponding reduction in the Community Chest budget.

The directors voted to include a subscription of \$150 to the Salvation Army in the Community Chest budget for 1944 only. This subscription was made in recognition of the great work done by the Salvation Army and to make unnecessary an independent canvas for funds for the Salvation Army in the city of Cameron. The subscription will replace any Salvation Army subscription in the city. Elsewhere in the county the Salvation Army will make its usual canvas.

The Community Chest drive will be concluded in October along with the War Chest Drive in the county.

COMMUNITY PARTY  
Mrs. H. E. Garner announces there will be a Community Party at the Ad Hall School House on Friday night, September 22. Every one is invited.

## With The Marines

PVT. GEORGE H. DEER

Pvt. George H. Deer, United States Marines, is fighting somewhere in the South Pacific. He reached the battle zone within 108 days from the time he entered the service.

Pvt. Deer made an excellent record in training and has justified the confidence of his commanders since he reached the fighting front to carry on the traditions of the Marine Corps from the Halls of Montezuma to the Shores of Tripoli and from Guadalcanal to Saipan.

Pvt. Deer left Cameron February 17, 1944, to enter the Marine Corps a volunteer. He trained at San Diego and later was among 600 men to train at Camp Pendleton. Marine Pvt. Deer was selected from among this number along with 29 others to receive special combat training. During this special training he led the class of 90 men with a grade average of 94.

Pvt. Deer was sent to foreign duty within 108 days because of his fitness for the combat. His high rating permits him to wear the medal of Expert Rifleman, and Basic with Hand Grenade, Chemical Warfare and Small Bore Rifle and Bayonet.

## CHEST WORKERS RALLY HERE ON OCTOBER 9

Milam County War Chest Workers will meet in Cameron for a barbecue and kick-off rally Monday night, October 9th it was announced here late Wednesday by R. W. Hester, Chairman for the chest drive in the county.

The rally will be held in the basement of the First Methodist Church, and women of the church will serve the barbecue.

Mr. Hester said that program plans are not complete but arrangements were being made to have speakers not only from War Chest state headquarters but by veterans from McCloskey general hospital. A feature of the program will be a film on War Chest Activities.

Albert Collins, special gift chairman who also heads the Cameron Community Chest, said that canvas will begin at once for special gifts in an effort to raise at least 50 per cent of the county's quota in advance of the drive date and prior to the barbecue and kick-off rally here on Monday night, October 9th.

A pre-drive check up has disclosed enthusiasm in all parts of the county and all communities are expected to raise their quotas quickly.

The name of Lon Peoples at Milano was omitted from the list of community chairmen last week through error. Mr. Hester regrets the omission. Mr. Peoples has accepted his responsibility and will give the drive his personal attention in the Milano community.

## Dallas News Allots Only 25 Copies For News Stand Sale Here

The Dallas News has allotted only 25 copies for sale on the news stands in Cameron and F. R. Dunlap, agent here, says he will be unable to make any deliveries by car.

All copies allotted for two weeks will be at Dusek Pharmacy.

Prior to the drastic cut Mr. Dunlap received 126 copies each day. He asks his patrons to bear with him under these conditions.

This drastic cut emphasizes the critical need for pulp. The scrap paper drive is greatly emphasized by this example.

Mr. and Mrs. E. B. Hoyer were business visitors in Cameron Thursday afternoon.

## MARAK CHURCH PICNIC WED. SEPTEMBER 27

Cameron and Milam county was looking forward to the Anniversary Picnic at SS. Cyril and Methodius church at Marak on Wednesday, September 27th.

Father Ben Holub had high praise for the members of his Parish for their splendid work in preparing the program for that day.

The program will get under way with High Mass at the church with sermon in English and Czech at 10 a. m. Then will follow a dinner in the school grounds. In the afternoon and at night the program will be full of interesting events.

It is the occasion of the 40th Anniversary of the Church, first served by the late Father Kacer and now served by Father Holub.

## Mrs. J. B. White is Named Member Demo State Committee

Mrs. J. B. White was named Committee Woman, for the 13th Senatorial District by the State Democratic Convention in Dallas, it was announced in a letter received here from Senator Kyle Vick of Waco.

Mrs. White, a delegate to the Convention, did not attend.

In the formation of the State Democratic Executive Committee, one member is appointed from each of the Senatorial Districts and one committee woman is named. Mrs. White's name was submitted at the District caucus and later approved by the Convention. The 13th Senatorial District is composed of Milam, McLennan, Falls and Limestone counties.

Mrs. White was born and reared in Bell county. It is her first major political responsibility but her family is not without distinction in politics. Col. Oveta Culp Hobby, wife of former Governor Hobby and now head of the WAC organization in America, is a cousin of Mrs. White.

## BRONZE STAR MEDAL FOR SGT. T. W. MITCHELL

Home from the Italian theatre of war, T/Sgt. T. W. Mitchell, has been visiting his sister, Mrs. S. W. McClaren at Marlow.

Sgt. Mitchell arrived home last week, a casual of the war. He was seriously wounded and in addition to the Purple Heart he has been awarded the Bronze Star Medal for an act of heroism in the fighting in Italy.

A copy of the official citation making the Bronze Star award has reached The Herald through relatives here. Sgt. Mitchell saw continuous action in the Italian theatre of war, was seriously wounded for which he received the Purple Heart and since has been awarded the Bronze Star Medal for heroic achievement on May 15, 1944.

During the crucial stages of an attack on an enemy held hill Sgt. Mitchell repeatedly exposed himself to enemy small arm fire in order to more effectively direct the fire of his platoon.

Although seriously wounded during the engagement it was through his efforts that the platoon was able to take a major part in the final capture of the objective.

Mrs. Mitchell, wife of Sgt. Mitchell, resides in Louisiana. A sister Mrs. S. W. McClaren, lives at Marlow where Sgt. Mitchell has been visiting.

## Military Personnel Are Guests of Lions

Military personnel were guests of the Lions Club Tuesday with Lt. Frank Perrin, Army Engineers, making the principal address.

Lt. Col. Thomas A. Rockett, Senior Chaplain at McCloskey and 20 men were guests. They had attended the funeral of Cpl. Aldine Beard at Milano, conducted by Col. Rockett and on their return were invited in the meet with the Lions.

Lt. Perrin who has spent more than two years in the far Northwest with the engineers building the Alaskan Highway and who is home on a special mission for the government, told about his experiences and answered many questions about his interesting work.

While the club failed to realize 100 per cent attendance the number attending was large. The club has 69 members and is limited to 70.

August Kuzner of Curry was a Cameron visitor Friday.

## Gets Penant Award

F. G. BLAKE

## F. G. Blake Receives Salvage Award at Dinner in Hearne

F. G. Blake, of the Coca-Cola Bottling Company in Cameron has been awarded the S. Penant ward by the state Salvage Committee for his share in the collection of tin for the war effort.

The award which is the 6th such award to be made in Texas up to that date, was given to Mr. Blake at a Rotary Club Luncheon in Hearne on August 24th. Mr. Flood and Mr. Gaston of Austin, with the State Salvage Committee attended the Rotary meeting and presented the S Penant to Mr. Blake, commending him for his outstanding job and contribution to the war effort.

Mr. Blake is a member of the Cameron Rotary Club, and a former member at Hearne.

The area from which Mr. Blake directed collection of tin embraces Milam Robertson and Madison counties. During 1944 one hundred thousand pounds of tin has been salvaged in these three counties.

Among those who attended the luncheon were S. E. Brogdon, Milam county salvage director; M. G. Cox, Judge Jeff T. Kemp and Mrs. F. G. Blake.

## Band Sweetheart to Be Named by Sept. 30; Contest Begins

Annual contest to name a Band Sweetheart for Cameron opened here Friday and will continue through September 30 at 8 p. m., it was announced by Mrs. Dan Collins shortly after noon today.

The following are candidates: Helen Reichert, Margaret Matula, Patsy Elliott, Jean Edmonds and Alice Marie Coker.

The Sweetheart is chosen by popular vote and will be named to the place for one year. Votes are purchased for stated amounts and numbers are deposited in ballot boxes.

Proceeds from the contest are used by the Band Parents Association.

## Fire Department Here Thanks Herald For Generous Contribution

Here is a much appreciated letter from the Cameron Fire Department: Dear Mr. White:

"At a recent meeting of the Cameron Fire Department, the writer has been instructed to convey to you, their sincere thanks and appreciation for your generous contribution to the department, when several weeks ago you furnished and printed circulars for a Carnival sponsored by the Department.

"Being a volunteer organization, we feel we are highly compensated, by enjoying an occasional barbecue or entertainment, made possible by good citizens like you, when we receive these kind expressions of gratitude and appreciation for our humble services, rendered in our small way.

"In a like manner may we have the privilege to return this and the many favors extended to us in the past.

Very truly Yours,  
Cameron Fire Department,  
John C. Andres, Sec.-Treas.

T/Sgt. Daniel B. Lunsford just home from active duty in Northern Africa and in Italy with the Army Air Corps spent a few hours in the home of his parents, Mr. and Mrs. Dan Lunsford en route to Nebraska for re-assignment.

Charlie Cade, Jr., of Bryan is doing nicely following an operation in the Newton Memorial Hospital Tuesday.

## SIEGFRED LINE IS BEING OUTFLANKED

A spokesman for General Eisenhower, supreme Allied Commander, said at noon Wednesday that the next twelve hours may bring sensational developments on the war front of the Siegfried line in Germany.

At the same time a strict censorship was clamped down on all news from the front.

Adolph Hitler has taken personal command of the German armies, a move which observers said he would make as a prelude to final collapse of the Germans.

A complete collapse of the German army in Holland was predicted. Three new air borne divisions have just been flown into the area where the British Second army and the Air Borne troops have merged.

The Siegfried line is being outflanked. Possible developments include a major break through in the rear of the German line and violent battles were in progress. The Germans were fighting with frantic force to stem the onrushing tide.

General Patton's army has advanced 20 miles beyond Nancy.

General Hodges' army was encountering bitter opposition. The armies of Patton and Hodges were merging in a gigantic attack to outflank the Germans.

German reinforcements were pouring into the battle which was developing into a show down fight.

When it was announced that Hitler had taken command of his armies General Eisenhower made a statement in which he said "that is exactly what we want him to do."

General Montgomery said that Germany will be defeated before the first of the year. He also said that Heinrich Himmler, Gestapo chief has visited the front. This was taken to indicate that a final effort is being made to avert a collapse.

The zero hour was believed near. Warsaw is burning.

Russian troops have entered Finland to enforce terms of the armistice granted that little Baltic state. The Germans will not move out.

The German radio said that the Russians have crossed the Vistula river near Warsaw.

## Pfc. Richard Phipps Wounded In France

Pfc. Richard Phipps has been wounded in France, it was disclosed here Friday by his parents, Mr. and Mrs. Richard Phipps, Sr., who have been notified by the War Department.

Pfc. Phipps has been fighting for sometime in France and was wounded in action.

No additional information was given and the nature of Pfc. Phipps' wounds is not known.

Sgt. James Phipps, brother of Pfc. Richard Phipps is in the army and serving in the Aleutian theatre of war.

## Pfc. Alfred Dusek Says Flag Incident Shocked Soldiers Now Fighting

Pfc. Alfred Dusek, son of Mrs. Joe Dusek, writes from the Pacific where he has seen plenty of action: "Yes it really knocked me for a loop when I read about an Army Officer ordering the stars and stripes down because they looked distasteful to a bunch of German prisoners, and on the 4th of July, too. Well I'm glad I can say the stars and stripes look good to us over here."

Pfc. Dusek entered the service in September 1943, and received his training in California and Texas camps. Before going to foreign service he was awarded the Sharpshooter's Medal, and five Expert Medals, Rifle, Bayonet, Carbine, Machine Gun and Tommie Sub Machine Gun. He left the States on January 1, 1944.

Mrs. Dusek has two other sons in the Service who are in the Army Air Corps, S/Sgt. Joe Dusek stationed in Oklahoma, and Sgt. John A. Dusek stationed in a Texas flying field. She also has a daughter, Cadet Rosa Lee Dusek at Selon Hospital in Austin.

Miss Geraldine Chambers, daughter of Mrs. Maude Chambers and Miss Jennie Akers daughter of Mr. and Mrs. Mack Akers have entered Baylor University. Both Miss Akers and Miss Chambers are graduates of Cameron Yoe High School.

Billie Joe Haddox, son of Mr. and Mrs. L. N. Haddox of Milano is resting comfortably in the Newton Memorial Hospital.

## CAPT. WM. W. HARVEY RETURNS FROM FRANCE

Capt. William W. Harvey, United States Army Air Corps, has reached Cameron from almost a year of duty in the European theatre of war, recently being assigned to duty in France.

Capt. Harvey, in the Intelligence service of the Air Corps, for some time, recently has seen other important duties which he cannot disclose. Currently he is reporting for a new assignment.

By taking passage on an air liner he was able to reach Cameron and make time so that he will be able to remain here with Mrs. Harvey for about a week. Mrs. Harvey is the former Miss Nancy Newton, daughter of the late Senator W. R. Newton and Mrs. W. R. Newton of Cameron.

Capt. Harvey spent 8 years in Texas before his enlistment in the Air Corps. "I am a Texan already," he said. "Right now I live in Cameron, but tomorrow it may be one of the world's outposts."

Capt. Harvey said he witnessed some of the spectacular recent advances of General George Patton's army in France. He declared the General one of the greatest field commanders of this age.

While Capt. Harvey was reluctant to speak of his work he expressed belief that while Germany is certain soon to lose the war on the field and in the air, the spirit of Nazism may emerge with a foothold in the world if German prisoners who return to the homeland are not in some manner divested of the fanaticism which led them to all but topple the world.

Right now Captain Harvey is getting some needed rest.

### FINE PEARS

Some of the finest pears ever seen in Cameron are on the square today. They were being marketed from the orchards of H. B. Pressley at Rice. Many are buying this fruit and wrapping to eat this winter. The crop is the best in recent years.

## Locker Plant Plans Slugged; Chamber Directors Astounded

Plans for the locker storage plant in Cameron have been slugged and directors of the Chamber of Commerce are astounded.

Subject to further confirmation the Herald learned late Monday that the financial backers of the plant had been induced to give up purchase of the site previously announced as bought and to consider the building now being used by the U. S. O. This building belongs to Citizens National Bank.

There was some question whether the deal was ever actually closed for the site near the Southern Pacific tracks belonging to the Hendersons Estate.

J. M. Boehner, President of the Chamber of Commerce, said he contemplates an early meeting of the Chamber of Commerce Directors.

The plant as announced would have been a magnificent advancement for Cameron. Any interference to prevent its construction was regarded as unfortunate, if not an overt, unfriendly act.

Subject to further confirmation the only upright thing about the transaction thus far is the faith of the many small people who put up their money for lockers in good faith, plus a lot of hard work done by Chamber of Commerce directors who also were working in good faith and little dreamed their plans would be slugged.

About the only thing remaining, it was practically certain, is to return the money to subscribers. An effort may be made to have these funds paid into another plant or plants but nothing of the sort should or will be permitted by the Chamber of Commerce, it was believed.

On the bare possibility plans may be restored the whole matter is being held in abeyance for two or three days, it was said.

## Sgt. Grady Stidham Is With Amphibious Force In Invasion Fleet

Sgt. Robert G. Stidham, Jr., is preparing for duty with the amphibious forces aboard an LST Landing Ship, Tank one of the biggest ships in the Navy's invasion fleet.

Sgt. Stidham has been assigned to the crew of an LST at the Amphibious Training Base, Camp Bradford, Va., where he is going through the strenuous training required of blue jackets who man the beach-hitting tank carriers. Heavier than a modern destroyer, the 300-foot LST lands assault troops and equipment directly into enemy beachheads, under the protective bombardment of heavy warships and Navy planes.

Despite its size and weight, the landing vessel is designed to navigate shallow approaches to hostile beaches, spilling its troops and tanks ashore through the huge bow doors. Camp Bradford where Sgt. Stidham is stationed is one of a group of Bases operated by the amphibious training command of the U. S. Atlantic fleet along the Eastern seaboard. The Bradford Base alone is readying thousands of Navy men to operate the ships of the amphibious fleet, fast going toward its year end goal of 80,000 new landing craft.

Mrs. Stidham lives in Waco while Sgt. Stidham is away with the navy.

Sgt. Stidham was severely wounded in action in the landings on Sicily in 1943 and was flown back to the states in a hospital craft of the navy where he recuperated and later rejoined his unit.

Owen Stidham, brother, is on a Submarine somewhere in the Pacific. Both are sons of Commissioner Grady Stidham and Mrs. Stidham of Cameron.

## Texas Pecan Crop Is Largest In Many Years And So Is Nation's

The Texas pecan crop may be the largest in 19 years, a statement reaching The Herald, said Saturday.

Also the nation's pecan crop may also be the largest in years, the statement said.

Final 1944 government pecan crop estimates disclose that the Texas crop is estimated at 43,500,000 pounds and the United States crop at 142,933,000 pounds.

The largest Texas crop in the past 19 years was 50,000,000 pounds. With gathering weather Texas this year could equal or even exceed the big 1935 crop.

The total United States estimate now exceeds the largest crop on record by 13,984,000 pounds.

Cpl. Charles Maddox who is on delayed route to a new training base stopped for a visit with his parents, Mr. and Mrs. Grady Maddox, his grand mother, Mrs. Bonnie Maddox, and aunt, Miss Lucille Maddox, all of Ben Arnold. Cpl. Maddox expects to be stationed somewhere in California.

## With Army Band

PFC. EDWIN STAFFORD LYON

Pfc. Edwin Stafford Lyon who first played band music with the Yoe High School Band is now doing his share in this war as a member of one of Uncle Sam's army bands.

Pfc. Lyon is in the Air Corps and is a member of the 729th Army Air Force Band at the army air base at Grand Island, Nebraska.

Pfc. Lyon, a volunteer, reported for duty at Camp Wolters in December 1943, a short time before Christmas day. He wanted to become a pilot in the air corps but did not succeed in that and was assigned to the band.

He is the son of Mrs. Jaunita Stafford Lyon of Cameron, a nephew of W. H. Stafford, City Tax Assessor and Collector and grand son of the late T. C. Stafford.

## Capt. L. F. Giesecke Wounded In France Is Now Visiting Austin

James G. Wiley of Austin visited in Cameron Friday on his way to Mc Closkey Hospital to visit with Capt. L. F. Giesecke who is a patient.

Capt. Giesecke has returned from foreign service where he was wounded in action in France. He is able to leave the Hospital for a short time, and Mr. Wiley, who is Capt. Giesecke's step father took him to Austin where he will visit his wife and two sons.

Capt. Giesecke is a relative of Walter and Raymond Sharpe of Cameron. He is the grandson of Nat and Emma Jinks, formerly of Cameron.

Miss Florine Hovis has returned to her home recovered from a recent operation in the Newton Memorial Hospital.

## LARGEST OPERATION OF KIND IN WORLD HISTORY

An army fully equipped with weapons as heavy as tanks and artillery parachuted from the sky on to the soil of Holland Sunday and Monday reinforcements were reported pouring down from the clouds to swell the already largest air-borne invasion in the history of the world.

The action might well determine the full fate of the German nation. Its execution was a superb tribute to the American air force. Landed behind the Siegfried line the Germans have lost all opportunity to reinforce their west wall.

The British Second Army was expected to join the air troops in a matter of hours.

Flanking the Siegfried line was the strategy behind the air-borne landings. All was going well with the new phase of the battle.

General Patton's third army was beating off severe and heavy German attacks at Metz.

The American First Army was within 20 miles of Cologne.

In a sea battle off Greece in the Aegean sea 8 German ships including an aircraft carrier was sunk Sunday. Brazilian units are fighting with the Fifth army in Italy.

The red army was crossing the border of Bulgaria and of Greece. Heavy fighting was in progress for Warsaw.

Progress was uninterrupted in the Pacific with Stubborn Japanese resistance.

## HEAVY FIGHTING ON GERMAN WEST WALL

Heavy fighting was reported all along the German West wall Friday but the Allies had taken several strong points and breached the Siegfried line in several places.

Allied victories were scored at both ends of the line, it was disclosed.

The Seventh Army under General Patch which invaded southern France and fought its way up to the Swiss border has joined the 3rd Army of General George Patton and all American forces were advancing in spite of severe fighting.

The Red army has launched the final blow for the capture of Warsaw. Hard fighting is reported on the Gothic line in Italy.

## "When We Come Home They Won't Need Prison Camps," Says Cpl. Krenek Writing From France After Flag Is Lowered At Hearne To Please Nazi

American fighting men in France don't mind saying they resent deeply the lowering of the American flag to please German prisoners. Writing home from France to his parents, Cpl. Leo Krenek, says no prison camps would be necessary if some of the fighting men could get home now.

The American flag was lowered at Hearne to please a German musician and to insure entertainment for civilians visiting the camp. Here is Cpl. Krenek's letter in part:

"I'm working pretty hard, sweating out the end of this war so I can get back home and to normal living. I am sure there are many more waiting for the same thing. There is no news here and you folks back home know more about the war than we do here. We here are doing our part and it seems the war is running a lot smoother than last year just about this time.

"I wish you could hear the program on the radio here right now. It is a German propaganda program broadcast in English, of course. Boy, they really shoot the works but they are not fooling anybody, just wasting their efforts. They try to remind us of the good times we had back home and they play a tune or two, then some bull about how many planes shot down, then again music. No, they aren't fooling nobody. It is the first time I have listened to it.

"I guess you are picking cotton now. I see from The Herald that Yager ginned the first bale.

"It really burned me up when I read about that incident at Hearne prison camp. Boy that was the worst. Take down the American flag because some damn Nazi didn't like

it and on the Fourth of July too. Something should be done. So many good men have given their lives to capture those rats and then they have their way, with luxuries to go with it.

"It just wouldn't do for some of us here or some of the boys from the fighting front to have any say so about it. There would be no need for the camp at all. A while back I saw in 'Stars and Stripes' an article telling about prisoners of war being entertained some other place. I believe people back at home just do not realize that we have a war. It looks like they treat the prisoners as visitors back in the states.

## BREST FALLS SAYS GERMAN STATEMENT

Brest, great port in Western France has fallen to the Allies, it was announced by the Germans, shortly before noon Tuesday.

Fighting was in progress in great tempo on all fronts. While progress was slower due to fierce German counter attacks, advances were chalked up on all fronts.

Berlin was hit by block busters as 700 flying fortress bombers hit southwestern Germany.

Robot bombs were over England again.

Hard fighting was in progress inside Germany where the Americans have invaded.

A state of Emergency has been declared in Denmark by the Germans.

Finland has signed an Armistice with Russia.

Fighting was hard in all Pacific areas and on the front in Italy where Clark's Fifth Army was making slow but sure progress.

Ben Boedeker who has been ill is reported to be improving at his home after an extended illness.

## Car Load Peaches For County Schools Distributed by Hicks

For the outstanding job of the week we nominate Chas. M. Hicks, County Superintendent.

At noon Saturday he had just completed distribution of a car load of California peaches. This job was completed in about 24 hours or a little over. And nearly all the peaches are now in cans, thanks to the Home Economic departments of the schools in the county.

Mr. Hicks brought a sack of the peaches to the Herald and they were distributed among the employees and for which we are thankful.

Since the government has been supplying food for the lunch counters in the schools Mr. Hicks has outstripped all surrounding counties in obtaining food for the schools. His latest score being the car of peaches.

Mr. and Mrs. Charlie Hightower of Walkers Creek visited in Cameron Monday.

Gloria Rae Loftin of Austin is visiting her grand mother, Mrs. Claude Loftin of Cameron and her aunt, Mrs. Ben Kennon.

## BURNS ARE FATAL TO BILLY JOE GILFORD

Billy Joe Gilford, 4 died in an Austin hospital September 14, from burns which he sustained while playing in the back yard of Mrs. Addie Aldridge, his grand mother, in Austin.

Billy Joe was playing alone in the yard and it was believed he had matches. His screams attracted members of the household who found him burned and rushed him to a hospital where he died within a few hours.

Surviving are his mother, Mrs. Jack Gilford, a sister of Mrs. Cecil Loftin; two brothers, Jack and John William Gilford, and one sister, Margaret Joyee who last week visited in the home of Mrs. Ben Kennon here.

Funeral services were being held late Saturday, September 16, in Rockdale.

Sanford Brewer returned to his home in Lexington Tuesday from the Newton Memorial Hospital.

Pfc. Rudolph Zalesky of Seattle, Washington is home on furlough visiting his mother, Mrs. L. M. Zalesky of Buckholts.

Cpl. Robert T. Hayes has concluded a pleasant furlough in Cameron with his parents, Mr. and Mrs. Moody Hayes and other relatives and friends.

Mrs. J. Maresch of Temple transacted business in Cameron Wednesday.

With this array of talent, it's little wonder that preview audiences are reported to be saying that "Swing In The Saddle" is the West's best musical in years.

From where I sit... by Joe Marsh

## Soldiers vs. Civilians in Tomorrow's World

You hear some talk about how—when the war is over—there's going to be bad feeling between soldiers and civilians; how the country will be divided into those who fought in uniform and those who stayed at home.

Well, maybe you saw that letter from a soldier overseas, in one of our big magazines. It said that men in uniform aren't thinking any such thoughts—any more than folks at home are.

The most important thing is, that we're all engaged in one titanic struggle to preserve our

freedom and our rights—not just as soldiers or civilians—but as Americans!

From where I sit, that attitude is going to win the war—and win the Peace too. If we can respect the rights of others—whether it's their right to enjoy a glass of beer, or to vote the way they please—we've got a mighty sound foundation for our peace-time world.

## OUR TOWN

(continued from page one)

and the employment of diplomacy, conciliation, arbitration and other like methods where appropriate in the settlement of international disputes. World peace is of transcendent importance. Our gallant sons are dying on land, on sea, and in the air. They do not die as Republicans. They do not die as Democrats. They die as Americans. We pledge that their blood shall not have been shed in vain. America has the opportunity to lead the world in this great service to mankind. The United States must meet the challenge. Under Divine Providence, she must move forward to her high destiny.

## V

We pledge our support to the Atlantic Charter and the Four Freedoms and the application of the principles enunciated therein to the United Nations and other peace-loving nations, large and small.

We shall uphold the Good Neighbor Policy, and extend the trade policies initiated by the present administration.

We favor the opening of Palestine to unrestricted Jewish immigration, and such a policy as to result in the establishment there of a free and democratic Jewish commonwealth.

We favor legislation assuring equal pay for equal work regardless of sex.

We recommend to Congress the submission of a Constitutional amendment on equal rights for women.

We favor federal aid to education administered by the states without interference by the federal government.

We favor federal legislation to assure stability of products, employment, distribution and prices in the bituminous coal industry to create a proper balance between consumer, producer and mine worker.

We endorse the President's statement recognizing the importance of the use of water in arid land states for domestic and irrigation purposes.

We favor non-discriminatory transportation charges and declare for the early correction of inequalities in such charges.

We favor enactment of legislation granting the fullest measure of self-government for Alaska, Hawaii and Puerto Rico and eventually statehood for Alaska and Hawaii.

We favor the extension of the right of suffrage to the people of the District of Columbia.

## VI

We offer these postwar programs:

A continuation of our policy of full benefits for ex-servicemen and women with special consideration for the disabled. We make it our first duty to secure employment and economic security to all who have served in the defense of our country.

Price guarantees and crop insurance to farmers with all practical steps: To keep agriculture on a parity with industry and labor;

To foster the success of the small independent farmer;

To aid the home ownership of family-sized farms.

To extend rural electrification and develop broader domestic and foreign markets for agricultural products.

Adequate compensation for workers during demobilization.

The enactment of such additional humanitarian, labor, social and farm legislation as time and experience may require, including the amendment or repeal of any law enacted in recent years which has failed to accomplish its purpose.

Promotion of the success of small business.

Earliest possible release of wartime controls.

Adaptation of tax laws to an expanding peacetime economy, with simplified structure and wartime taxes reduced or repealed as soon as possible.

Encouragement of risk capital, new enterprise, development of natural resources in the West and other parts of the country and the immediate reopening of the gold and silver mines of the West as soon as manpower is available.

We reassert our faith in competitive private enterprise free from control by monopolies, cartels, or any arbitrary private or public authority.

## VII

We assert that mankind believes in the Four Freedoms.

We believe that the country which has the greatest measure of social justice is capable of the greatest achievements.

We believe that racial and religious minorities have the right to live, develop and vote equally with all citizens and share the rights that are guaranteed by our Constitution. Congress should exert its full Constitutional powers to protect those rights.

We believe that without loss of sovereignty, world development and lasting peace are within humanity's grasp. They will come with the greater enjoyment of those freedoms by peoples of the world, and with the

freer flow among them of ideas and goods.

We believe in the world right of all men to write, send and publish news at uniform communication rates and without interference by governmental or private monopoly and that right should be protected by treaty.

To these beliefs the Democratic Party subscribes.

These principles the Democratic Party pledges itself in solemn sincerity to maintain.

Finally, this convention sends its affectionate greetings to our beloved and matchless leader and President, Franklin Delano Roosevelt.

He stands before the nation and the world, the champion of human liberty and dignity. He has rescued our people from the ravages of economic disaster. His rare foresight and magnificent courage have saved our nation from the assault of international brigands and dictators. Fulfilling the ardent hope of his life, he has already laid the foundation of enduring peace for a troubled world and the well-being of our nation. All mankind is his debtor. His life and services have been a great blessing to humanity.

That God may keep him strong in body and in spirit to carry on his yet unfinished work is our hope and our prayer.

## DEDICATED TO THE MARINES

The Marines are just regular guys—They fight for their freedom, and their lives,

To keep us free from the Nazi and Jap,

The ones who tried to wipe us from the map.

They're not afraid of any Nips;

They landed from the U. S. ships.

They fight on the seas and on the land;

The Marines are out to take all Japan.

They fought on Bougainville, the Solomons and others;

Twice there they fought and died like brothers,

The Marines have died, but not in vain—

Germany and Japan are still their aim.

Some left wives, and sweethearts too—

And homes, they all loved so true.

They're the boys from the leather-neck crops,

When it's all over, they'll be ready for more.

They are rough and they are tough,

They never quit and they never give up,

They are human, but they never tire—

In their heart remains their one desire.

After it's all over and their job is done—

They'll return home, the war will be won.

Another Pearl Harbor will never be seen.

As long as there lives a U. S. Marine.

## EIGHT MILES INSIDE OF REICH ON 33 MILE FRONT

General Patton's 3rd American army has been joined by the 1st Army under General Hodges, Saturday had driven 8 miles into German territory and were but 29 miles from the Rhine river.

The attack was being made on a 32 mile front.

The German radio broadcast a statement at noon that the 3rd American army under General Patton is nearing the Rhine river. The statement also said that fighting is raging in the streets of Aachen.

The Germans issued a statement from Finland stating they will protect their security against all who try to impair it. Fighting was going on between the Germans and the Finns.

Dr. Goebbels, Nazi propaganda chief, said Saturday the tide will soon turn in favor of Germany. Secret weapons, he said will soon be turned loose on the Allies which will amaze them.

Robot bombs were unloosed again on England.

The Siegfried line is falling apart. The army of General Hodges is penetrating the line on the east and have advanced to the city of Aachen. Heavy counter blows have been launched by the Germans and bitter fighting is in progress.

General Von Runstedt was reported to have again taken command in the West.

The Allies hold a front 500 miles. Polish troops Saturday crossed the Dutch border. The Reds have crossed the Slovak border.

The fall of Warsaw was regarded as certain within a few hours. Troops of Poland are fighting side by side with the Red army.

Morotai is in the hands of the Americans and General MacArthur is expected to launch the final drive for the Philippines at any time now.

Technician Third Grade, Robert J. Haddox has returned to this country after serving 27 months overseas with the Medical Department in the American theatre of operations. He visited with his parents, Mr. and Mrs. H. K. Haddox of Milano.

Sgt. James Cartwright has been awarded the Bronze Star by Major Gen. Walter Robertson for gallantry in action in France. Sgt. Cartwright is the brother of Mrs. Dolly Roppel of Gause.

## Floy Jewell Phipps and Lt. Curtis Lowe are Married In Historic Little River Baptist Church Wednesday; Groom is Hero of 73 Air Missions

In a candlelight ceremony Wednesday, September 13, 1944, at 8:15 p. m. in Little River Baptist Church, Miss Floy Jewell Phipps, daughter of Mr. and Mrs. F. L. Phipps became the bride of Lt. Glyn Curtis Lowe, son of Mrs. E. G. Lowe. Rev. C. W. Sanders pastor of Cameron Baptist church officiated.

The bride was given in marriage by her father. She wore a white gown of starched Irish lace with full net skirt. The sweetheart neckline bodice and long-fitted sleeves were edged in chantilly lace. The finger tip veil of net edged in lace fell from a coronet of tucks and ruffled net. She carried an arm bouquet of white gladiolas.

Miss Eleanor Knipp attended the bride as maid of honor. Miss Carolyn Brock was bridesmaid and Miss Kay Storey was flower girl. The attendants were all attired in white net and carried bouquets of pink gladiolas.

Lt. Charles Roy Law attended the bride groom as best man and Ralph Phipps, brother of the bride as groomsmen. Ushers were Billy Fontaine and Judson Storey. Mrs. John Young played traditional wedding music and Mrs. Ray Burke sang "I Love You Truly."

As the couple left for a wedding trip in the Southwest, the bride was wearing a dressmaker suit of sunset violet with gold buttons. Her hat was gold stitched wool with matching bag. Her other accessories were

black. Mrs. Lowe is a graduate of Yoe High School and attended Texas University. For the past few years she has taught in the Briary and Jones Prairie schools.

Lt. Lowe graduated from Yoe High School and attended Texas A & M College. For the past year he has been stationed in China.

The couple will make their home temporarily in Santa Monica, Calif. where Lt. Lowe will be stationed.

Lt. Lowe is the hero of 73 combat missions from bases in China where for more than two years he has been a combat pilot, flying a B-24 Liberator.

### FUNERAL WEDNESDAY

Funeral services for Mrs. Fritz Miller, 65, who died at the home of her son, Alfred Miller in Somerville Monday, will be held from the Green Funeral home at 3 p. m. Wednesday, September 20, 1944. Interment will be made in the cemetery at Chriesman.

Mrs. Melvin E. Taylor has resumed her work at the Palace of Sweets. Mrs. Taylor will be remembered as the former Miss Agnes Weems. Her husband, Cpl. Melvin E. Taylor is now stationed in San Antonio.

## WAR VETERANS ASKING FOR SERVICE OFFICE

Thursday morning at nine o'clock the following service men from over Milam County met at the Chamber of Commerce, these men representing the Legion Posts were: Jamie Clark, Commander Thorndale Legion Post No. 131; T. S. McCollum Commander, Aubrey Pratt and F. B. Burkes from Milano Legion Post No. 415; Clyde Franklin, Commander and Jess Thompson, Service Officer of Carlisle Post No. 358, Rockdale; and George Childress, Adjutant, H. B. McClellan, Service Officer, J. A. Henderson, Emmett Streetman John B. Henderson and L. Van Perkins from Edwin Hardy Post No. 9, Cameron.

This group elected L. Van Perkins, Chairman. After a discussion of the necessity of a Service Officer for Milam County, this group adjourned to meet with the Milam County Commissioners' Court.

Mr. Perkins presented to the Commissioners' Court the need for the creation of the office of Service Officer for Milam County. Mr. Perkins brought out some interesting facts concerning service work. Milam County sent 1800 men to the armed services during World War I, and more than 5600 to the present conflict, at the same time this county has lost approximately 8000 in popu-

lation during this period. In 1938 the veteran's case load of the Veterans' Administration in Texas was 38,000, at the present time it is 100,000 and increasing at the rate of 2000 per month.

Men are being discharged from the armed forces at the rate of 160,000 per month and a majority of these cases are medical discharges and will need the assistance of a service officer immediately. There will be approximately 5000 veterans of both wars in Milam County in the future,

these with their dependents will make up more than half of the population of this county. This presents a large service problem, one that can not be handled by the service organizations. The problem of caring for disabled veterans is an obligation of our government, either the National, State or County governments must see that disabled veterans secure the best of service of such claims as they might have against the government for disabilities the result of their war time services.

These days, your electric washer is doing an important wartime job... keeping the family laundry fresh and sparkling... relieving you of many hours of tedious labor. These suggestions are designed to help you in the care and use of your washer. They are easy to follow and will aid in the conservation of this important household appliance.

### HERE ARE A FEW HINTS TO HELP SAVE YOU TIME AND MONEY

#### DRAIN AND RINSE AFTER USING

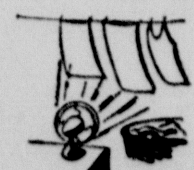

Remove soap curds and lint. Keep drain clear. Dry inside and out. Cover, if dusty.

#### DON'T OVERLOAD WITH CLOTHES

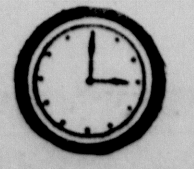

Clothes won't come clean. Follow maker's instructions. Mix large pieces with small.

#### USE YOUR FAN FOR INDOOR DRYING

Place so air will circulate between pieces. Tilt upward. Use high-speed oscillation.

#### DON'T RUN THE LOADS TOO LONG

Seven to twelve minutes is ample. If heavy soil, two normal washings are better than one long one.

## Thinking Americans Today...

### ARE NOT TOO FREE WITH FREE SPEECH

Since our republic was founded, no privilege has been guarded more jealously than the right to talk things over—a right for which men had fought in vain for centuries. The more viewpoints discussed, the clearer our national vision and the stronger our national unity.

Today, public opinion in America asks us all to protect our privilege. It warns us

against spreading rumors thoughtlessly or circulating information helpful to the enemy. It urges us to challenge the person with "inside information on the war" by asking him, "Where did you get your facts?" It reminds us that the enemy lays important plans by piecing together little scraps of offhand information. There is no such thing as unimportant gossip.

In addition to supplying the armed forces with glider and bomber fuselage frames, wing parts, gun turret parts and foodstuffs, Anheuser-Busch produces materials which go into the manufacture of: Rubber • Aluminum • Munitions • Medicines • B Complex Vitamins • Hospital Diets • Baby Foods • Bread and other Bakery products • Vitamin-fortified cattle feeds • Batteries • Paper • Soap and Textiles—to name a few.

When a product maintains the character that people respect, they are quick to demand it. Generations ago, the makers of Budweiser set a standard—distinctive in taste, pure, good and distinguished for its uniform quality. That's why people everywhere have agreed that Budweiser is "something more than beer". No wonder it is the most popular beer in history.

## PFC. WILBURN McKAY IS KILLED IN ACTION

Pfc. Wilburn D. McKay of Cameron, has been killed in action in France, a War Department communication, received here, disclosed.

Pfc. McKay was killed in action on June 12, 1944. Notification came to Mrs. Minnie Baker, his mother, in Cameron.

Pfc. McKay was born near Cameron on January 13, 1924, and was 24 years old. He was a volunteer and at the time he entered service he was employed at Conroe. After his training period was over he arrived in England December 29, 1942.

Mrs. Baker has received the Purple Heart, awarded posthumously for the gallantry of her son.

Another son, Cpl. Wilburn L. McKay took part in the invasion of the Marshall Islands in the Pacific and is now on the Island of Saipan.

## NEW PRICE STRUCTURE ON COTTON ANNOUNCED

The War Food Administration and the Office of Price Administration has announced, jointly, a revision of the cotton price stabilization agreement, which was announced on April 24, 1943.

Under the original agreement, in lieu of a price ceiling on cotton, the War Food Administration agreed to offer for sale Government-owned or controlled cotton through the Commodity Credit Corporation in the open market when market prices reached parity.

Under this revision, which is effective until May 1, 1945, the Commodity Credit Corporation will not offer for sale any of the cotton owned or controlled by it except at prices which will not prevent cotton from averaging parity. For the present, this will mean that no Government owned or controlled cotton will be sold in the open market except at 50 points (1-2 cent a pound) above the parity price this market having been determined to be necessary, in view of the fluctuations of the market, to net a parity average. The margin of 50 points will not be reduced prior to May 1, 1945, unless the price of cotton should average above parity in an amount and for a period of time sufficient to raise a question as to the adequacy of manufacturing margins under ceiling prices that are being computed for major cotton textiles on the basis of parity prices for cotton. In that event, the sale price of cotton of the Commodity Credit Corporation will be reduced only in an amount sufficient to prevent the price of cotton from averaging above parity.

The two agencies have further agreed that no ceiling price is to be placed on raw cotton prior to May 1, 1945, below the price at which, under the terms of the agreement, the Commodity Credit Corporation will offer cotton for sale.

This action is taken in furtherance of the purposes of the law recently enacted by Congress that directs the President, acting through any department, agency or officer of the Government, to take all lawful action to assure that the farm producers of cotton, and other basic and proclaimed agricultural commodities, receive parity prices.

## CPL. ALBINE BEARD BURIED AT MILANO

Funeral services were held at 11 a. m. Tuesday, September 19, 1944, for Cpl. Aldine Beard, Jr., who died at Mitchell Field in New York on September 1, 1944.

The body of Cpl. Beard arrived at 2 p. m. Monday from New York.

Cpl. Beard was born January 10, 1921, son of the late Aldine Beard, Sr., and Mrs. Aldine Beard, at Milano. He was the grand son of C. M. Beard of Milano.

Cpl. Beard attended Milano public schools and was graduated from San Marcos High School in 1939. For two years he attended Southwest State Teachers College in San Marcos. He entered the United States army in December 1942, and received his basic training at Kearns Field, Utah. He later was transferred to Camp Grant, Ill., as meat inspector and then transferred to Regional Hospital at Coral Gables, Fla., before being transferred to Mitchell Field in New York.

Surviving are his mother, Mrs. Aldine Beard of Bakerfield, Calif.; two brothers Wallace Beard of North Hollywood, Calif.; and Gunners Mate Coleman Beard, U. S. Navy; and one sister, Inez Beard of San Antonio.

C. M. Beard, grand father of Cpl. Beard, survives and lives at Milano.

## QUESTIONS AND ANSWERS

about the

## All-Year Gas Air Conditioner

The amazing gas appliance that cools as well as heats the home is creating considerable interest in the territory served by Lone Star Gas Company. Our customers are asking us many questions about it. Here are the answers to some of the more frequent ones.

### 1. What does the All-Year-Gas Air Conditioner do?

In summer, it brings scientific relief from hot, sticky weather... providing refreshing, invigorating, cooled, and dehumidified air. In winter, it provides dependable warmth and correct humidity throughout the home on coldest days. In every season of the year, it supplies clean air without drafts... filtering out dust, dirt and pollen. It is a complete air-conditioning unit for all seasons.

### 2. Does it come in small size for single room?

No. The All-Year Gas Air Conditioner is a simple, compact unit for heating or cooling the entire house. After all, a home is not properly air conditioned unless there is a circulation of properly processed air at the desired temperature throughout.

### 3. Is it another one of those postwar "dream" products?

No. The All-Year Gas Air Conditioner has behind it ten years of laboratory research work, four years of tests in the field, and for the past three years has been in operation in several hundred homes and commercial establishments, some of them on Lone Star lines. Owners are enthusiastic in their praise.

### 4. Can it be installed in my present home?

Yes. It can be installed in old homes, new homes, clinics, hospitals, small offices and commercial plants. An equipment room at least 8 x 8 x 8 feet is required as well as duct work.

### 5. How much does it cost to operate one?

Naturally, this will vary according to the size of home or business establishment to be conditioned, the type of construction and the weather. No two will operate for the same amount. However, we estimate the average year around cost will be \$10 a month and up, depending on size of house. The larger the home, the more the cost.

### 6. When can I buy one?

The All-Year Gas Air Conditioner will be in production again just as soon as the factory is released from important war work.

### 7. Where will I be able to buy one?

At your Lone Star Gas Company office.

### 8. How much will one cost?

This depends on the size and type of house, the amount of duct work necessary and the size unit needed. Exclusive of these necessary installation costs, the unit itself, it is estimated, will sell for \$1,350.00 and up, depending on size or capacity. Since the system has to be custom fitted for each particular house or business, the total installed prices may vary considerably. In new home construction the price can be included in the home loan.

### 9. Who will install it?

Lone Star Gas Company.

### 10. Who will service it?

Lone Star Gas Company.
